With every successful referral, you'll unlock elevated perks, exclusive access to presale homes before they hit the market, and increasing commission bonuses designed to grow alongside your success.

Eligibility Requirements

- Open to all licensed real estate professionals representing buyers in a transaction with Lifestyle Design Homes.
- Must register client online using the **"Realtor & Client Registration Form"** at **lifestyledesignhomes.com/realtors** before client's initial consultation.

Terms & Conditions

- Referrals must be made before the client engages with LDH directly to qualify.
- Commission is paid in milestone stages:
 - **10%** at contract signing
 - **20%** when slab is poured
 - **70% + any bonuses** (if applicable) at closing
- All payments are made directly to the agent's brokerage. Broker approval is required to participate in this payout structure. Referral is considered valid once the buyer signs a contract and successfully closes on the home.
